Purpose of the policy

This policy details how [insert centre name] deals with an emergency evacuation of the exam room(s) by defining staff roles and responsibilities and confirming the emergency evacuation procedure.

When is an emergency evacuation required?

An emergency evacuation is required where it is unsafe for candidates to remain in the exam room. This might include a fire in the exam room, the fire alarm sounding to warn of fire, bomb alert or other serious threat.

In exceptional situations, where candidates might be severely disadvantaged or distressed by remaining in the exam room, the emergency evacuation procedure may also need to be followed. This might include situations where there is severe disruption in the exam room, serious illness of a candidate or invigilator or similarly serious incidents.

<https://www.gov.uk/government/publications/bomb-threats-guidance/procedures-for-handling-bomb-threats>
- ▶ Where safe to do so, ensures candidates are given the opportunity to sit exams for their published duration

Senior leader

Special educational needs coordinator (SENCo)

- ▶ Ensures the candidate is informed prior to taking their exams of what will happen in the event of an emergency evacuation

Exams officer

- ▶ Ensures invigilators are trained in emergency evacuation procedures and how an incident and actions taken must be recorded
- ▶ Ensures candidates are briefed (*Candidate exam handbook*), prior to exams taking place, on what will happen in the event of an emergency in the exam room
- ▶ Provides invigilators with a copy of the emergency evacuation procedure for every exam room

Invigilators

- ▶ By attending training and/or update sessions, ensure they understand what to do in the event of an emergency in the exam room
- ▶ Follow the actions required in the emergency evacuation procedure issued to them for every exam room
- ▶ Confirm with the exams officer, where different procedures or assistance may need to be provided for a disabled candidate they are invigilating
- ▶ Record details on the exam room incident log to support follow-up reporting to the awarding body by the exams officer (see below)

Other relevant centre staff

- ▶ Support the senior leader, SENCo, exams officer and invigilators in ensuring the safe emergency evacuation of exam rooms

Recording details

As soon as practically possible and safe to do so, details should be recorded. Details must include:

- ▶ the actual time the exam(s) resumed
- ▶ the actual finishing time(s) of the resumed exam(s)

Further details could include

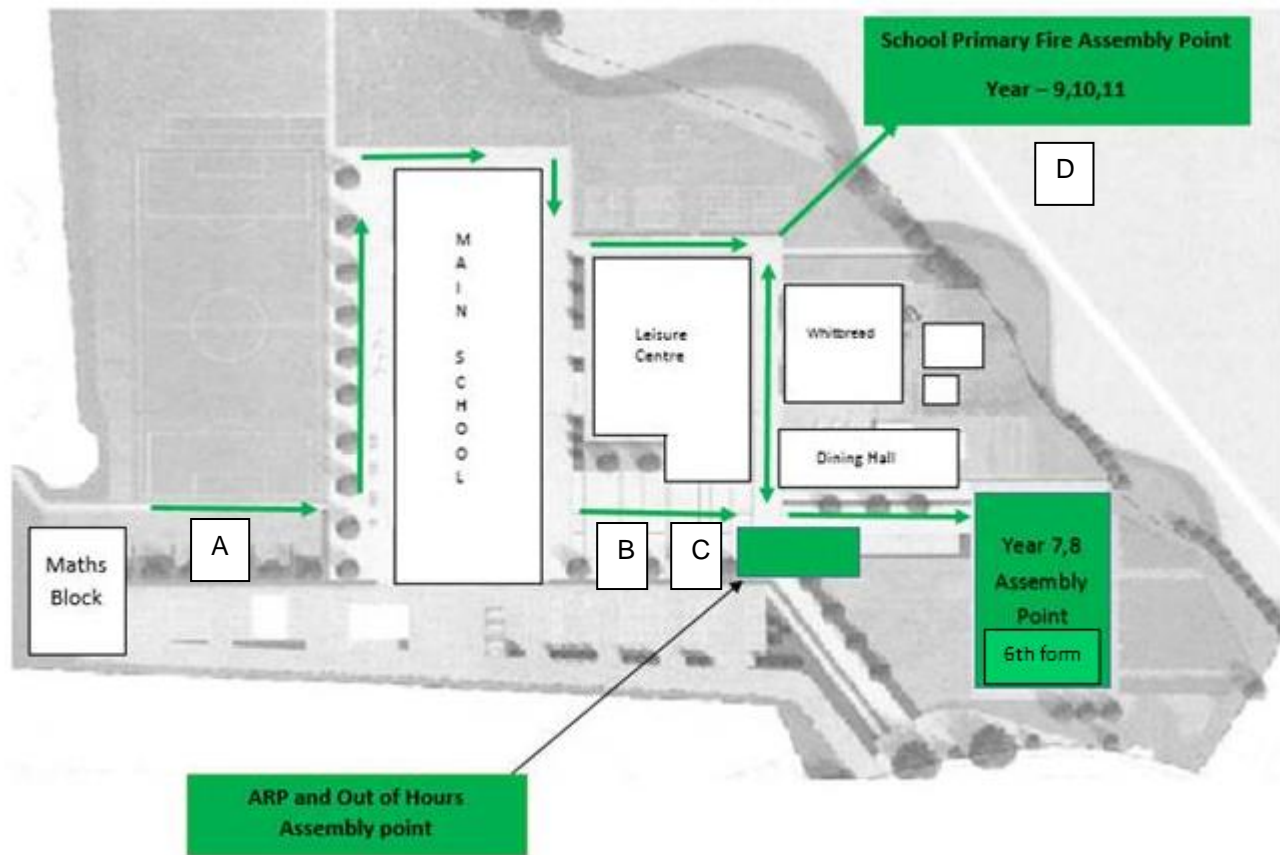

- ▶ report on candidate behaviour throughout the interruption/evacuation

Emergency evacuation procedure

Invigilators are trained in this procedure and understand the actions they must take in the event of a fire alarm or other emergency that leads to an evacuation of the exam room.

Dagenham Park Church of England School Emergency evacuation procedure for examinations	
Actions to be taken (as detailed in current JCQ Instructions for conducting examinations section 25, Emergencies)	
Stop the candidates from writing	
Collect the attendance register (in order to ensure all candidates are present)	
Evacuate the examination room in line with the instructions given by the appropriate authority	
Advise candidates to leave all question papers and scripts in the examination room	
Candidates should leave the room in silence	
Make sure that the candidates are supervised as closely as possible while they are out of the examination room to make sure there is no discussion about the examination	
Make a note of the time of the interruption and how long it lasted	
Allow the candidates the full working time set for the examination	
If there are only a few candidates, consider the possibility of taking the candidates (with question papers and scripts) to another place to finish the examination	
Make a full report of the incident and of the action taken, and send to the relevant awarding body	
Additional centre-specific actions to be taken	
A continuous siren indicates the need to evacuate the building.	
Escort candidates to the fire assembly point in Old Dagenham Park (see evacuation routes for each building on the next page)	
When/if allowed to return to the exam room, allow the candidates time to settle down, reminding them they are still under exam conditions.	
Where not allowed to return to the exam room, or the decision is made that the exam must be abandoned, the centre's exam contingency plan will be invoked.
